The Sweetest Girl in all the world!
my Beloved Wife,

Hello Darling How are you today?
This leaves me enjoying the best
of health, and I'm wishing the same
for you.

I can't think of much to say Darling. If
I only could hear from you maybe I could
at least answer some questions for you
that would help.

I haven't done much of anything lately
except eat and sleep. I think I am really
gaining weight. However there are no scales
to weigh on. my clothes are almost too
tight anymore. I must weigh 175 at least.
I have been getting three big meals a day
and sleeping about 12 hours every night.

things like that cause people to get fat,
but I don't care if I get to weighing 190 lbs.
then I would really be a butter Ball ~~Ha Ha~~

Honey you should hear me speak French,
I bet the French people think I'm nuts,
but I don't give a rat. I have "Boo Koo" fun,
which means very much fun, and I think the
people have fun talking to me. The
small kids sure know how to ask for
Chew Gum and Candy. I always give
them some if I have it. you know me.

You can trade a package of Cigarettes for
almost anything. Oh by the way, for
Breakfast every morning we have a pack
of Cigarettes, a layer blade and a stick of gum. ~~Ha Ha~~
Of course they give us some food to make
them easier to digest. They are free.

I wrote to Ed last week but I haven't
heard from him, so if you hear from
Mozell, let me know how he is, because
I may hear quicker that way than from him.

We got our P.X. Ration today and they had Cigars. There were four guys here who don't smoke Cigars and they all bought them and gave them to me, pretty good eh. Well in return I gave them Cigarettes or Candy. It was a fair trade.

I don't know what I'm waiting on to write to Harry. If I don't write soon he will probably scold me the next time he sees me. I'll try to get a letter off today to him.

Darling I bought myself a field Coat, you know, the type that has the hood which comes up over your head. It cost me fifteen hundred + fifty francs or \$31.00 But in this cold weather it is worth twice its weight in gold.

You know Darling if I keep running off at the head you are going to get bored with reading this volume, but I

like to write to you, because I darling
when I'm writing you I feel close to you
than any other time. I try to make
myself believe that you are sitting on
my lap and I'm talking to you. I
love you very dearly I darling and don't
ever let any one tell you different.

I have loved you since we were
kids in high school and I shall love
you all my life. nothing will ever
change my love for you I earnest, because
I love you with all my heart, for
me there is no other woman on
earth.

With a million hugs and kisses
I say I love you OXOXOX

Good night Darling

God Bless you

Love

Deb
